RE: Basic Information on all cases of missing American Indian/Alaska Native Persons 2000-2019
Cost Estimate: Pre-Payment NOT Required (Less than \$200)

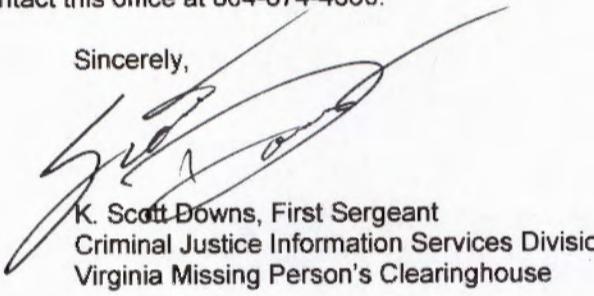

Dear Mr. Nash:

Based on your request, the Department has formulated an approximate advance estimate of the anticipated charges. Under the Virginia Freedom of Information Act, we have determined that the estimated charges for searching for, and redacting, the requested records will be \$99.73.

The time period for producing the records or making a response under VFOIA is tolled for the amount of time that elapses between the notice of the cost estimate and your response. Please advise us if you agree to the estimated charges and we will then proceed with processing your request.

If I may be of further assistance, please contact this office at 804-674-4660.

Sincerely,

K. Scott Downs, First Sergeant
